

BREAST ENLARGEMENT GUIDES

QUESTIONS TO ASK YOUR SURGEON

What size implant do you recommend and how big can I go?

What profile and placement do you recommend and why?

Do I have different size options for implants?

What are the possible risks and complications of surgery?

How many years have you been performing breast enlargement surgery?

What will my scarring look like?

What look do you prefer (natural, big, fake, etc..)

What kind of post-op bra would you recommend?
